Location:	Lower Green, Main Street
Date / Time:	Friday, 3 June 2022 1800hrs
Preparation:	The roads will be closed to parking.
	The Lower Green will be delineated to separate the different float types (Motorised, walking and mounted)
First Aid	A First Aider should be present and identifiable. The First Aider may be a Marshal with another task.
Chief Marshal Duties	The Chief Marshal shall be responsible for co-ordinating the positioning of the floats on the Green in an order designed to have the greatest safety and facilitate judging. The Chief Marshal shall be responsible for co-ordinating the floats leaving the Green in an order designed to have the greatest safety.
Marshals' Duties	A Lead Marshal will be nominated from the helpers of each float to allow the better organising of that float (liaising with the Chief Marshal, First Aider etc.).
	All Marshals should be identifiable to other members of their float.

	Marshals on motorised floats are responsible for ensuring no members of their floats put themselves in dangerous positions by either leaning over or hanging from a motorised float. <b>2 Marshals must be on the ground walking either side of the vehicle.</b>
	Marshals on walking floats are responsible for ensuring no member of their float puts themselves in a dangerous position by either leaving the confines of their float or walking too close to a horse or motorised float.
	The Lead Marshal will take direction from the Chief Marshal.
Incidents	In the event of an injury, the decision to move the casualty, or not, will be the responsibility of the First Aider, even if this entails a delay to the Parade.
	Any incidents requiring first aid will be attended to, and recorded, by the duty First Aider.
